

Volunteer with One World Surgery in Honduras

In partnership with Optum Care, One World Surgery (OWS), a global not-for-profit organization, has expanded its services in Honduras to include:

- Primary care services to thousands of patients in need.
- Optimized specialty and surgical services to continuously improve outcomes.
- Additional pre-screening and diagnostic capabilities to decrease waiting times.

Service. Healing. Transformation.

We are looking for Optum Care volunteers to serve on an upcoming medical mission with OWS.

2021 primary care missions:

3-5 physicians, 3-10 clinic nurses, and 5-10 general volunteers needed per trip

Roles	Opportunities
<ul style="list-style-type: none"> • Family medicine physicians • Internal medicine physicians • Cardiologists • Primary care physicians in other specialties should contact medicalmissions@oneworldsurgery.org regarding need and availability. • Clinic nurses • Medical assistants • Anesthesia providers • Pre/post-operative nurses • OR scrub technicians and circulators • Physical therapists • Nurse practitioners • Physician assistants • Medical assistants • Dentists, hygienists, and dental support staff 	<ul style="list-style-type: none"> • Screen new patients to confirm surgical diagnoses within the following specialties: GYN, URO, ENT, OPHTHAL, GEN SURG. • Provide additional pre-operative care for patients undergoing larger procedures, with chronic diseases, and within certain risk groups. • Support the Nuestros Pequeños Hermanos (NPH) external clinic, which attends to the nearby community. NPH is a home for children and a partner organization of OWS. • Provide additional clinical support in the OR and pre/post-operative areas during a surgical mission.

Requirements and costs

Program fees cover food and housing, ground transportation in the mission country, and emergency medical and evacuation insurance for volunteers. Optum Care is funding program fees for eligible clinicians and teammates. While several programs exist to facilitate PTO, necessary approvals are the responsibility of the individual attending the mission. Flight costs and program fees for family members are to be covered by the participant:

- \$500 for additional family member 18 years and older
- \$250 for additional family member under 18 years
