

DENTAL CLINIC

In 2019, One World Surgery transformed the lives of over 10,000 patients, but many more need care.

JOIN US on a week-long medical mission at the Holy Family Surgery Center in Honduras!

One World Surgery ignites the spirit of service and transforms lives by providing access to high-quality surgical care globally. Our vision is a world with safe, timely, and accessible medical care including high-quality dental care!

One World Surgery's onsite local dentists, Dr. Karen Chan and Dr. Dilcia Rodriguez, provide high-quality preventative and restorative dental care to NPH and local communities year-round in OWS's dental clinic.

While our local dentists are accustomed to working without an assistant or hygienist, you are encouraged to bring a dental team if preferred.

DENTAL PROCEDURES

Common dentistry procedures performed at HFSC include:

- Cleanings
- Floride
- Fillings
- Extractions
- Roots Canals (front teeth including premolars)
- Minor Surgeries
- Pediatric crowns
- Resolution of infectious processes

Service. Healing. Transformation.
