# 11TH ANNUAL GIVING ON THE GREEN BENEFITTING ONE WORLD SURGERY

THURSDAY, AUGUST 26, 2021  
CANTIGNY GOLF CLUB, WHEATON, IL

May 2021

We invite you to join us at the Cantigny Golf Course on Thursday, August 26th, 2021, in support of One World Surgery, a nonprofit organization that is near and dear to our hearts.

Many of you have heard the story of our dear friends Dr. Pete and Lulu Daly who first visited Honduras in 2003 and have since made it their mission to provide life-changing medical and surgical care to all those who need it. Their surgical work in Honduras began in a trailer and has grown to a well-equipped surgery center in Honduras. Since 2009, One World Surgery has performed 43,000 consultations and over 6,500 surgeries. These transformations are magnified through the individuals' newly restored hope and sense of self-efficacy. As our patients return to work and school, they become vehicles of change for their families and communities.

Due to the impact and success of the Honduras model, along with the pressing need for medical care, One World Surgery is building a surgery center and clinic in the Dominican Republic to serve the Dominican and Haitian communities. Our 25,000 square foot medical center will include three operating rooms and provide eight surgical specialties. Your support has allowed us to change more lives across the world.

Your generosity has made it possible for One World Surgery to expand its outreach, and together we're making a difference in the world. We look forward to seeing you at this year's event.

Sincerely,

*Kevin & Sue Spahn*
