Navigating the Online Pre-Check Form Updated July 2023

Before You Start

- The Precheck form can be completed online **or** via mobile app
 - Website: <u>https://prechequeo.inm.gob.hn/Login</u>.
 - Mobile App: Download the "Prechequeo Migratorio" App to your phone or tablet
- All travelers must submit the Precheck form prior to their arrival in Honduras
 - a. The <u>Health Form</u> link will appear after you complete the Precheck Form, but it is no longer required, they just have not removed it from their website
- To complete the pre-check form, you will need:
 - a. Your passport (number and expiry date)
 - b. Details of the flight arriving in Honduras (airline, flight # and date)
 - c. Address where you will be staying

<u>Tips</u>

- Most dates (i.e., travel day, departure day) are in day/month/year format
- Family members may use the same login account to create additional "prechecks" as needed. Return to the home page, click "Create Precheck," and repeat the steps for each person.
- Please complete these forms to the best of your ability. Some questions and English translations are glitchy, and some do not have options that apply.

Troubleshooting

- This site works best with Chrome.
- Mac users have reported issues with the site not working and also those with a Hotmail email. Internet Explorer and Safari on Android mobile devices may have issues.
- If you have an issue with any other device or browser, try using Google Chrome on a PC. If you are still having issues, try another device.
- If the page won't load, try turning off Wi-Fi and using your cell phone connection (either by doing it on your phone or using your computer or tablet and connection to a hotspot from your phone).

Create an Account

- 1. Go to the pre-check form at https://prechequeo.inm.gob.hn/Register
- 2. The original settings are in Spanish, but you can switch the language settings to English on the left-hand side under the *¿No tienes cuenta?* box.
