ONE WORLD SURGERY: TRANSFORMING LIVES GLOBALLY

One World Surgery is a nonprofit which **ignites the spirit of service and transforms lives** by providing access to high-quality surgical and primary care globally.

One World Surgery funds and operates a surgery center in Honduras and has expanded our programs to include primary care. We also provide dental and optometry care. In the Dominican Republic we are hosting primary care outreach clinics and construction is almost complete on our **primary care clinic, surgery center, and visitor center**.

During **weeklong medical missions**, physicians, clinical, and general volunteers serve alongside our local team to transform patient lives through surgical and primary care.
