BREAKING BARRIERS
BUILDING HOPE

2023
ANNUAL REPORT

20 YEARS OF HEALING, INNOVATING, AND SUSTAINING HOPE: A JOURNEY TO LASTING IMPACT

As we embark on our 20th anniversary, it is with immense gratitude that we reflect on the incredible journey that has brought us to this remarkable milestone. Over these two decades, we have evolved from a vision into a beacon of sustainable healthcare transformation. The growth we've experienced, the lives we've touched, and the impact we've made are testaments to your unwavering support.

In 2023, our global community of over 1,500 volunteers stood shoulder to shoulder with our in-country teammates, performing 2,029 life-changing surgeries and providing 25,229 patient consults. The addition of 3 new board of directors has injected fresh perspectives and contributions into our organization, enhancing our ability to reach even greater heights. Yet, as we celebrate our achievements, there is still much work to do. Countless individuals are still waiting for surgery and care, and we are committed to answering their call as we eagerly anticipate the grand opening of our new surgery center in the Dominican Republic.

This year, my family and I had the privilege of returning to the US, a testament to the sustainability of our program and the strength of our in-country teammates in the Dominican Republic. As we look ahead, we extend our heartfelt thanks to you for being a cherished part of the One World Surgery family. Together, we will continue to heal, innovate, and sustain hope for many years to come.

And on behalf of our family, thank you.

WITH GRATITUDE,

**CLAIRE
CUNNINGHAM, MDP**

CHIEF EXECUTIVE OFFICER,

HOURS OF MEDICAL EDUCATION PROVIDED

- Built out and launched new education programming within primary care including in-person and virtual educational sessions and primary care symposiums in both countries.
- Invested in our education program by enhancing our Surgical Fellowships, training programs for anesthesia providers, on-site internships for nurses and physicians, US resident rotations to Honduras, and scholarships for young adults pursuing careers in healthcare.

Graduated 3rd & 4th orthopedic fellows, in partnership with University of Minnesota and Summit Orthopedics, and initiated 3rd year ophthalmology fellowship in partnership with ACE Global.
