

## YOUR SUPPORT CHANGES LIVES

Dear SCA Health Teammates,

Across Honduras and the Dominican Republic, children and families are receiving life-changing surgical care thanks to the compassion of teammates like you.

Last year alone, your generosity helped provide care for **26,000+ patients** who otherwise may not have had access to surgery or medical treatment.

For many of these families, this care means the difference between living with pain and disability — and returning to school, work, and daily life. **Now it's your turn to be part of this transformation.**

## Make an impact through payroll giving

One of the easiest ways to support this work is through a small payroll contribution. Every dollar counts! Each paycheck will help deliver surgeries, medical care, and hope to patients who need it most.

Together, SCA Health teammates are doing more than providing care — you are helping restore mobility, independence, and hope for patients and families who have nowhere else to turn.

Thank you for being part of this mission.

With gratitude,  
Claire Cunningham  
Chief Executive Officer
